## Covid Reminders

- WCLC will continue to require temperature screenings for everyone entering our building as well as face masks at all times for any person 5 years-old and up in our center.
- If your child has direct exposure, WCLC will require a minimum of a 10-day quarantine. If your child tests positively, WCLC will require a minimum of a 10-day quarantine, dependent on your child's doctor note.
- To limit potential exposure, we ask that only one adult come in when picking up or dropping off your child(ren).
- If your family travels by plane, WCLC will require a 10-day quarantine or a negative Covid result before returning.
- WCLC will continue to diligently work hard to ensure the safety of each child, family, and staff member, but please understand that there is always the potential risk of exposure. We are relying on our families for your cooperation, support, and partnership to keep our center safe and healthy.
