

OCTOBER

Director's Desk

The month of October is the grand opener of the Autumn with leaves changing and the cool weather coming! WCLC has many activities planned, such as our Annual Pumpkin Patch, to bring in the fall fun.

Our annual Trunk-or-Treat Costume Parade will take place on Friday, October 29th. If you would like to volunteer your vehicle, a trunk sign-up sheet will be posted at the front desk. Be sure to mark your calendar to join us for this great family event!

Candy Wars

It's that time of year again... The Candy Wars collection buckets will be in the lobby starting October 11th. Please donate pre-packaged candy (to be used during the Costume Parade) to the classroom bucket of your choice. The class who collects the most candy by October 27th will win a special prize the day of the Costume Parade. Thank you in advance for all that you do to help make this season a great one for us!

Staff Member of the Month

Mrs. Emma has only been a part of our team for a few months, but her passion for teaching is very apparent. While she enjoys helping out in other classrooms, 2's is the room for her! Emma's gentle spirit and dependability are just two of her wonderful qualities that show the kids each day how much she cares for them.

Mrs. Emma
2's Assistant
Teacher

Covid-19 Updates

- WCLC will continue to strictly follow all current precautions in place, such as extensive daily cleaning and sanitizing, requiring face masks at all times for anyone 5 years of age and older in our Center, and social distancing as much as possible.
- To limit potential exposure, we are asking that only one adult be present in the building when picking up or dropping off their child(ren).
- If your child has direct exposure, WCLC will require a minimum of a 10-day quarantine. If your child tests positively, WCLC will require a minimum of a 10-day quarantine, dependent on your child's doctor note.
- While WCLC will continue to diligently work hard to ensure the safety of each child, family, and staff member, please understand that just like any other place you choose to go during this time, there is always the potential risk of exposure. We will be relying on our families for your cooperation, support, and partnership to work together to make our center as safe as possible.
